

THE FAMILY MONEY SAFETY SHEET

Fill it in. Tape it by the phone. Stop a scammer cold.

1 OUR FAMILY CODE WORD

A word only our people know. If a caller cannot say it, it is not them.

2 CALL ONE OF THESE TWO BEFORE ANY MONEY MOVES

Name: _____ Phone: _____

Name: _____ Phone: _____

3 THE HARD RULES (NO EXCEPTIONS)

- No gift cards.
- No wire transfers.
- No cash handed to a courier.
- No matter who is on the line or how upset they sound.

4 THE LINE TO MEMORIZE

"I will call you right back."

Then hang up and call them back on a number you already have.

5 WHERE THIS GOES

Tape it by the phone. Put a photo of it in the family group text, so every sibling has the exact same script.

Scammers win on speed and isolation. A sheet on the wall and a sibling on the group text kills both.
